Foshan excellent decoration materials

The registered address of Fushan . has a factory scale of over 10000 and a staff of 50 people.

Our company's machines are produced using environmentally friendly PUR hot melt adhesive film from Germany.

Our business scope includes sales of bamboo charcoal fiber decorative panels, ice and fire A-grade fireproof panels, aluminum honeycomb wall panels, bamboo wood fiber solid large panels, integrated wall panels, solid wood grids, bamboo wood fiber grilles, aluminum alloy decorative lines, decorative materials

Our company adheres to the business philosophy of "quality first, customer first", and always adheres to the business policy of "survival through quality, efficiency through management, and market dominance through reputation". We create "irreplaceable" decorative materials, guided by consumer interests, continuously diversify and differentiate to meet the needs of decoration styles and functions, and launch more updated health products to the market.

Our company's products are suitable for indoor decoration places such as homes, villas, hotels, KTVs, cinemas, chess and card rooms, shopping malls, hospitals, TV background walls, and offices. We strictly produce and inspect according to national standards, and our products are popular in both domestic and international markets, highly favored by customers.
